Email: enquiries@gosfordpark.coventry.sch.uk

All parents and carers MUST pre order lunches through your school grid account- if you need help please contact school- moving forward, any lunches not ordered before 8:30am will have to be a jacket potato.

What a busy week we've had in school! Children from Year 5 and 6 represented school at the Sportshall Athletics on Wednesday, Mr Anderson was very proud of all of the children who represented Gosford.

Our youngest children in school, in **Nursery**, have been exploring ice. They have been working as a team to find ways to melt ice and free the toys frozen inside!

During their understanding the world sessions, **Reception** have been learning about different types of transport this week and identifying how transport has changed before we were born to now.

Year 1 have continued their learning on our senses during our Science lessons. This week we investigated our sense of hearing by performing fair tests to see which instruments were loudest and which ones were quietest. We recorded our findings.

Year 2 are asking historical questions about pirates. We learned how pirates tricked their way onto merchants' ships so that they could steal valuable goods.

Year 3 have been exploring where different food comes from in Geography, they are looking at their packaging and plotting this on a map. They have been discussing why we have to import and export foods and the impact of this on the environment.

As part of their science unit, States of Matter, **Year 4** have started their learning journey looking in detail at the water cycle and where our water comes from.

Year 5 had their first swimming lesson last week and Mrs Taylor and Mrs Coen have been really impressed with the children's attitude and willingness to try in the pool. Keep that up Year 5!

Year 6 have been working hard on their suspense writing, based on a short film called 'Alma'. The children have loved writing with the purpose of giving their audience goosebumps.

Timetable Rockstars

This week's winners are:

4 Sherbourne

(10 Dojos each!)

Dinner Time Discussions

Why is it important to read at home and at school?

Do your grown ups read for pleasure?

Celebrations Outside of School

Livi, in Year 6, has completed her 1.5km, 1mile and 2km swimming badges!

What a super achievement Livi, well done!

Nivethitha, in Year 5, has completed her Level 3 public speaking course over the holidays. Well done, what a great skill!

If you have photographs of celebrations of achievement outside of school we'd love to see them.

Please email them to enquiries@gosfordpark.coventry.sch.uk
