Celebrations to be proud of outside of school

'Last week Divyangana participated in the Hindi speech competition in Manchester. The competition runs through three slots. 25 children in each slot. There were 5 judges from BBC Hindi, a story writer from a Hindi magazine. Divyangana worked hard for this competition and performed confidently. Divyangana's topic was "If I won a million pounds...." She beautifully listed all the ideas she would like to do with a million pounds. It was amazing.

I want to thank the Gosford Park team for growing Divyangana's imagination skills which helped her in the competitions.

Judges were impressed with her speech but she lost by a few points. She got the participation certification.'

Huge well done to Divya in 4S, this is a huge achievement.

Thank you to her parents for such kind words about our school too.
